

Slitter Knife Sharpening

Gary Machinery, LLC

We have been supplying contractors & manufacturers for many years with component or entire lines to help with their products or services. Now we would like to help assure that your gang slitter is always ready to give you a good cut.

When it's time to sharpen your tooling on the slitter, send them set back to us pre-paid, and we will sharpen them and send them back by the next day via UPS Ground service, or Overnight if you really need them quick. Now that is assurance you will be able to make good quality parts for a long time!
